

Hi Graham,

We at FareShare want to wish you and your families a Happy Christmas and a wonderful New Year.

In these challenging times we want to recognise that you have made a difference.

Because you are one of the best performing groups in the region we wanted to take a moment to reach out to personally thank you, as over the past 3 months you have collected **6324.5** ????? which is equal to the weight of **an elephant!** You have also achieved **83%** of the collections you are signed up to in the past 3 months.

That has saved a considerable amount of food going into the bin. You should be very proud of your accomplishment. We know how hard you work to organise the logistics in order to make those collections and we want to say a huge **THANKYOU** to you and your volunteers for all the work that you do for your communities and the environment.

For any support that you may need over the Christmas period, please contact our dedicated support team on 01316 080 967 or via email support@fareshare.org.uk

Kind Regards
Bronagh Rigney
